

I-84 CLOSURES DURING BLASTING

ITD will blast rock at the Gowen Interchange beginning in mid-June. The rock must be removed before the new ramps and roadway can be built. This work will require ITD to blast 25 to 30 times over the next three months.

When blasting occurs, I-84 and the Gowen Interchange will be closed and traffic will be detoured from two to four hours. The work will be done in the evenings from 7 p.m. to 11 p.m.

The blasting schedule will be posted at www.itd.idaho.gov/GowenInterchange.

See reverse for I-84
closure information.

I-84 CLOSURES DURING BLASTING

DURING CONSTRUCTION:
LEAVE EARLY.
SLOW DOWN.
PAY ATTENTION.

The Idaho Transportation Department (ITD)
will blast rock at the Gowen Interchange this summer.
